Custom Red Team — 90-Minute Consult

€100

ONE-OFF SESSION

90-minute scoping consult for a custom red-team engagement.

// DELIVERABLES

- A 90-minute structured scoping session.
- A written scoping summary covering objectives, threat scenarios and constraints.
- Proposed engagement objectives and attack scenarios.
- Indicative scope, effort, cost and recommended rules of engagement for the full red team.

// EXPECTED OUTCOMES

- A clear, costed path to a tailored red-team engagement.
- Alignment on objectives and success criteria before any commitment.
- An informed go / no-go decision on the larger engagement.

// METHOD OF ENGAGEMENT

A single facilitated working session (remote) followed by a short written follow-up. This is a pre-engagement consult, not a test.

// TIMELINE

One 90-minute session, scheduled at a mutually agreed time, with the written summary to follow shortly after.

- Project management is included in all prices.
