VIP Monitoring

€25/mo

PER VIP / ASSET

Ongoing monthly subscription, billed per monitored asset – no fixed term.

Continuous dark-web surveillance, cloned-account detection and brand-exposure monitoring for executives and key personnel.

// DELIVERABLES

- Onboarding of the identities and assets to be monitored.
- Continuous monitoring across dark web, paste sites and breach data for credential and identity exposure.
- Detection of cloned or impersonating accounts and brand exposure on mainstream social networks.
- Ongoing alerts plus a periodic exposure summary.

// EXPECTED OUTCOMES

- Early warning when a monitored individual's data or identity is exposed.
- Reduced impersonation and social-engineering risk against key people.
- Faster reaction to brand and executive exposure.

// METHOD OF ENGAGEMENT

Continuous, always-on monitoring service. Monitored identities are onboarded once, then surveilled on an ongoing basis with alerting and periodic reporting. Add-on takedown support available.

// TIMELINE

Continuous / ongoing from onboarding, for as long as the subscription is active.

- Project management is included in all prices.
