Ad-Hoc Hourly Rates

€100/hr

ETHICAL HACKER

€80/hr · governance / GRC specialist.

Flexible, on-demand expert time outside a fixed-scope engagement — billed against hours actually used. For quick questions, spot checks, advisory follow-ups and overflow work.

// DELIVERABLES

- Senior ethical hacker / offensive operator time at €100 per hour.
- Governance & GRC specialist time at €80 per hour.
- Engaged as needed — no fixed scope or minimum commitment.
- Time logged transparently and billed against actual hours used.

// EXPECTED OUTCOMES

- Senior expertise without scoping a full engagement.
- Pay only for the time you actually use.
- A fast path to specialist support when you need it.

// METHOD OF ENGAGEMENT

Ad-hoc, on-demand support drawn down by the hour. Work is agreed, logged and billed against actual time used, across either offensive or governance specialisms.

// TIMELINE

On demand. Scheduled as availability allows, typically within a few business days of request.

- Project management is included in all prices.
