Expert Witness / Court Support

from €2,000 · On request · priced by matter

Court-ready report preparation, plus testimony and deposition availability. Priced on the matter's scope and jurisdiction.

// DELIVERABLES

- Court-ready report preparation.
- Testimony and deposition availability, priced on scope and jurisdiction.
- An expert witness statement, defended under cross-examination by the examiner who did the work.

// EXPECTED OUTCOMES

- Findings that stand up to legal scrutiny — Daubert-ready.
- A named examiner who can be called to testify.

// TIMELINE

On request; scheduled around the matter and hearing dates.

// METHOD OF ENGAGEMENT

Every case follows the same backbone, scoped to the matter.

PHASE_01 Triage · scoping

Confirm what's suspected, which evidence sources exist, the legal basis, and a fixed quote.

PHASE_02 Forensic acquisition

Bit-for-bit imaging of devices, mailboxes and logs — hashed (SHA-256), write-blocked. Chain of custody opens here.

PHASE_03 Analysis · reconstruction

Reconstruct what happened and when — separating what the evidence proves from what it merely suggests.

PHASE_04 Reporting · findings

A plain-language account for decision-makers plus an exhibit-referenced technical annex built to survive scrutiny.

PHASE_05 Testimony · referral

As needed: regulator packaging, law-enforcement referral, expert statements and courtroom testimony.
